

# Speed.

Like to ride your bike? Do you like to go fast? Join us! We are a local group that likes to race and ride our bikes while giving back to the community.

We encourage our members to enter races but it's not required. So come ride your bike with a bunch of awesome people. All shapes/sizes and fitness levels are welcome.

We are hosting a ride to meet the team. It will be about 2 hours long at conversation pace. Join us at Venti's after the ride for drinks and appetizers.
